PRODUCT DESCRIPTION

Red Sun Strike brand bowling equipment is a popular equipment in small and medium-sized bowling alley,Amusement and Entertainment Center, Sport Center &Coffee shop around the world;The pinsetter is the String Type Bowling machine.

String Bowling Equipment research and development background: Old Type Brunswick or AMF brand clamp type bowling equipment's mechanical structure is too complicated and operation speed is slow. They are not suitable use for the amusement and entertainment center. Old type bowling equipment require more professional engineer and worker maintain and look after. This point does not meet the management model of streamlining personnel

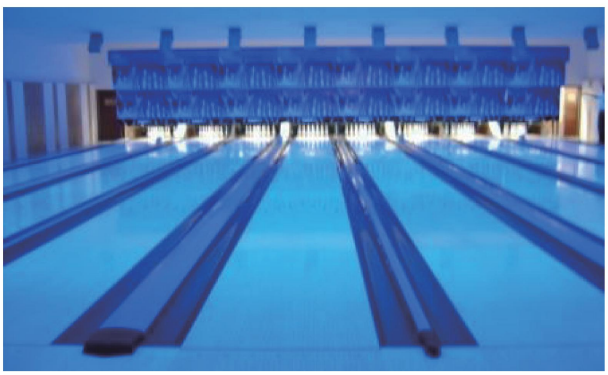

Beijing Red Sun Strike Brand String Bowling Pinsetter have follow several characteristics

1. 10 pin string pinsetter less 70% spare parts than the traditional free fall bowling pinsetter.Requiring less maintenance and lower spare parts inventory
2. Save 60% power consumption than traditional free fall bowling pinsetter
3. There is no need to hire a specialist look after the string bowling pinsetter,Ordinary worker will known how to use the string bowling equipment and he can solve all the problem when the string bowling pinsetter operate.
4. It is easy to study how to maintain and operate the String Bowling Pinsetter (the traditional free fall pinsetter have hundreds of moving parts that need constant replacing,adjusting & repair)
5. The string bowling equipment is very suitable for the 2 lanes,4 lanes,6 lanes or 8 lanes bowling center.

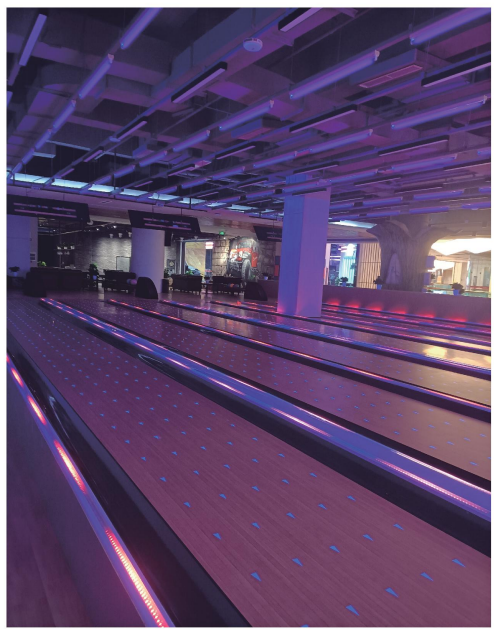

RED SUN STRING BOWLING EQUIPMENT CENTER PICTURES

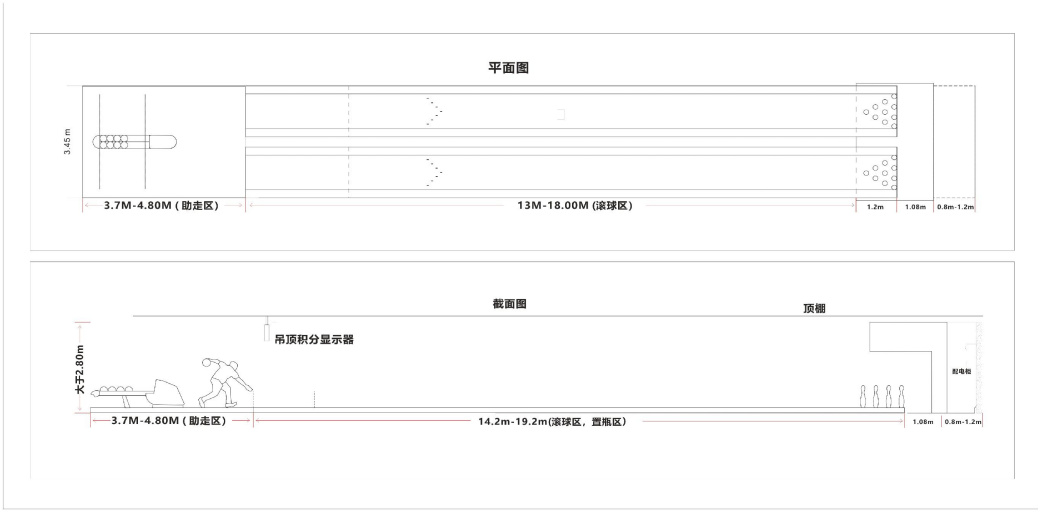

PRODUCT

- The Width Requirement: Average width 1.75 meters/ lane.
- The Power Consumption: 220V,50 HZ,2.5KW/Lane.
- Load-bearing per unit area: Bowling Machine Area 250 KG/ square meter;Bowling.

  lane area 100 KG/Square meter;Approach Area 200KG/Square meter.
- Two lanes Bowling Lane Floor plan & Sectional sketch map.

Bowling Lane Requirement Space: The Length Requirement: More than 20 meters (The international bowling lane requires length almost 26 meters,In fact the 20 to 26 meters length will not impact the bowling game feeling)

Note: The Bowling alley length requirement more than 20 meters will not impact the bowler’s feeling.
